May 2013

Hello Everyone.

We had a successful working bee on Saturday, 10<sup>th</sup> May with some 15 to 20 members turning up to not only do a number of jobs but have an enjoyable social time with quite a bit of chit-chat as jobs were done plus partaking in morning tea and tasty sausage sandwiches at lunch time. Thanks every one! The crib room has been getting a lot of use with the various workshops and shows the value of us having such a space.

The verandah roofs have been completed and photos will soon be in our web site. It is a great improvement to the appearance of the gallery and is much appreciated by all who have seen it recently.

**GROUPS YOU MAY LIKE TO JOIN:** to practice your skills or to learn new skills from other members:

Interested members are invited to the following groups running in the crib room

**Patchwork** - 1st and 3rd Mondays 10.00 am - 2.00 pm

**Needlework** - 2<sup>nd</sup>, 4<sup>th</sup> and 5<sup>th</sup> (if there is one) Mondays each month 10.00 am - 2.00 pm

Takes 3 to Tango – and the tango was good fun for at least 2 of the dancers as they added their weight to break the pesky old water pipe. Luckily it wasn't connected to the water mains.

(Left) All clean above and below - Exercising with broom and mop so there is no need for the gym.  
(Above) The artist's brush at work and hopefully no-one sat on the sto until it was dry.

It was hopeless to get this girl (left) to do anything but stand and admire the wonderful works in the gallery all day.
